Rules

- You can qualify in multiple categories, but only win once. If you win one category, you're removed from the other, therefore opening a chance for someone else to win, as long as they hit their requirements.
- The contest runs for 3 months but is based on monthly performance/tickets for each respective month.
- All baselines stay the same for the quarter/month. Any demotions/promotions won't change the numbers. You stay in the same category from the beginning.
- Any transferred agent's alp either personal or team will not count towards your alp credits or baselines.
 - Tentative drawing date will be 4/22/24
- Although we use the AP&P reports for the Net Alp, if there is any abnormal NOPRD/NSF/Cancel (anything that affects NG), etc up until the 4/22/24 drawing that alp can be deducted and potentially remove a winner from the drawing. Subject to SGA. (Write good alp)
 - Please double check your passport to make sure it is valid.
- Winners are not required to go if they choose not to, but there are no substitution or people or compensation if they choose not to attend.
- Dates/rules can be subject to change if unforeseen circumstances and are subject to the SGA.

Qualifying for the contest entitles one to attend only if he or she is an active American Incomer at the time the contest is being held. In other words, there is no monetary equivalent related to having qualified for the contest. No substitutions or transfers are permitted.

Please remember that expenditures for the Qualifier and the Spouse/Guest will be included in the Qualifier's taxable income for the year.
